

## **What Is The Kickin' Asphalt Bicycle Club?**

We are a bicycle touring club open to cycling enthusiasts in and around Southern Beaufort County, SC. Founded in September 2006, we are now a group of over 100 members. KABC organizes and promotes safe group bicycle rides and holds social activities for our members. We require helmets to be worn on all rides and we encourage brightly colored clothing. In 2008 we were voted the "Best Bicycle Club in the Southeastern United States"...based on growth and community involvement.

We currently ride most Saturday mornings, starting at different locations around Hilton Head, Bluffton and Beaufort. Rides are usually between 20 and 40 miles and most of our riders average 14-18 mph. We often meet for lunch following our rides.

We are affiliated with the Palmetto Cycling Coalition ([www.pccsc.net](http://www.pccsc.net)) and the League of American Bicyclists ([www.bikeleague.org](http://www.bikeleague.org)). You may also want to consider joining these organizations as they are a strong voice in promoting bicycle awareness, safety and education in South Carolina and on the national level.

Come out and ride with us once before you decide to join our club...you'll love us.
